COUACH **164'**

THE YACHT

In 2024, she underwent an extensive refit, enhancing her luxurious features, performance, and overall allure, ensuring she remains at the pinnacle of modern yachting.

With her striking design and exceptional craftsmanship, she is a true symbol of luxury and sophistication. The open-plan main saloon, flooded with natural light from full-height windows, offers an elegant seating area and a refined dining space separated by a sleek island credenza.

The main deck hosts a distinguished VIP suite with 180-degree panoramic views, while the full-beam Master Suite on the upper deck includes a private aft deck with U-shaped seating - perfect for relaxation or entertaining. In total, La Pellegrina 1 accommodates up to 12 guests in six luxurious cabins, including four guest suites on the lower deck (three with queen beds, one with twins).

Her exterior spaces are expansive and spread across three decks. The sundeck offers sunbeds, a spa jacuzzi, a dining table, and a wet bar for alfresco dining, while the large swimming platform provides easy access to the sea for relaxation & water activities.
